

# Come & Get It!

Your Capital Credit check,  
that is—

**Cooperative Spirit Day  
Saturday, April 9, 2011**

**PIONEER**  
electric cooperative

A Touchstone Energy® Cooperative 

The Pioneer Board of Trustees has just approved another record retirement of capital credits. And this year, members don't have to wait until November or December to get the refund. **You can pick up your check at Cooperative Spirit Day on Saturday, April 9th at the Piqua headquarters facility.**

That's right – this year we will be issuing checks to eligible members and making them available throughout the spring and summer. The first opportunity to get yours is right around the corner. You will not be able to pick up anyone's check but your own, and proper photo identification must be shown.

If you can't make it to Cooperative Spirit Day, don't worry there will be plenty more opportunities. After April 9th, you can pick up your check any day during regular office hours. We're also planning one member appreciation event in each county – Champaign, Miami and Shelby – during May or June where we'll also have the checks available, so that may be more convenient for you. Details will be communicated prior to the events.

Would you still prefer to have your capital credit retirement applied to your electric bill? No problem. Simply give us a call or drop us an email at and we'll credit your account.

**1-800-762-0997**

**[mscenter@pioneerec.com](mailto:mscenter@pioneerec.com)**

Checks will not be issued for accounts showing a past due balance; these capital credits will automatically be applied to the electric bill. Capital credits will not be retired in amounts less than \$5. If your capital credit retirement is below that level, it will roll over into the next retirement cycles until the amount reaches \$5.

All capital credits checks not picked up or applied to bills earlier will be mailed in August. Capital credits due to former Pioneer members will also be mailed in August.
